

Wisconsin Association of Educational Opportunity Program Personnel

MCNAIR/SSS GRADUATE SCHOOL RETREAT

Friday and Saturday, September 29 and 30, 2017

CHULA VISTA RESORT, WISCONSIN DELLS, WI

Featured Presenter: Donald Asher

*Donald Asher is one of the nation's foremost authorities on the graduate school admissions process. Tens of thousands of students have seen his lectures, tapes and teleconferences. He is the author of numerous books including *Graduate Admissions Essays*, the best-selling guide to graduate admissions.*

Participant comments from the 2016 WAEOPP McNair/SSS Graduate School Retreat

“So impressed! This conference has completely changed my perspective on grad school!”

“Perfect choice of guest speaker, very enthused and intelligent.”

“He (Don Asher) was amazing! I feel he made the application process much easier!”

“I received a lot of great tips and advice about when to apply and how to apply. The lecture was fun and interesting. Also, the food was great!”

“Immensely helpful! Inspirational and a healthy dose of fear/anticipation.”

Workshop Topics

Getting Into Graduate School

- Why earn a graduate degree?
- Challenges of 1st generation and underrepresented students in graduate school
- How to discover the top programs in your field of study
- How to select the right program for you
- Three main ways to make your application stand out against the competition
- How not to “freak out” about the GRE
- The reasons some 4.0 students are not admitted and some 2.8 students are and receive funding
- How to represent low grades, low GRE scores and other difficulties in the best possible light

Funding Graduate School

- Funding for graduate school: fellowships, assistantships and other funding sources

Statement of Purpose

- How to write a truly outstanding statement of purpose
- Five techniques that will improve any student’s essay
- How personal should the statement of purpose be: sciences vs. humanities
- What type of help you can get with preparing your statement of purpose: legitimate vs. illegitimate help

Application Considerations

- How should you complete the application form?
- What information is requested and why?
- Why do these types of details really matter?
